YES

NO

Thunderstorm

snow

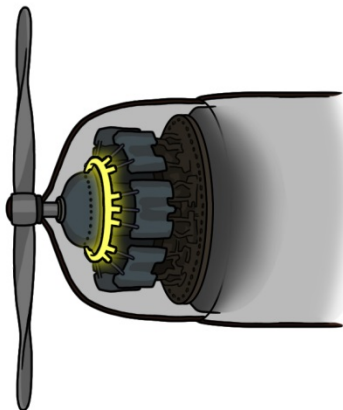

Details from Amelia Earhart (use with Flow Chart)

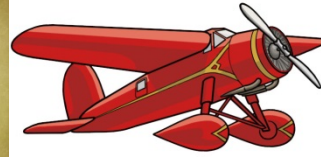

On May 21, 1942, Amelia Earhart began a solo flight across the Atlantic Ocean.

That night I ran into a storm.

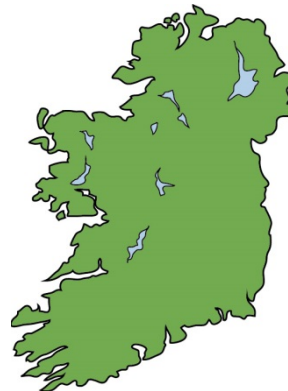

Then the manifold ring caught on fire.

On May 21, 1942, Amelia Earhart began a solo flight across the Atlantic Ocean.

I needed to land quickly.

Thank goodness Ireland was right in front of me.

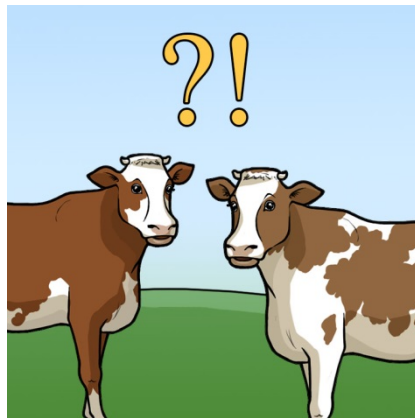

1942

On May 21, 1942, Amelia Earhart began a solo flight across the Atlantic Ocean.

My trip lasted 15 hours and 18 minutes.

The cows were surprised to see me.
